Please note: Enrollment in LIHP is effective to the first of the month in which the application was submitted. Legacy counties that are not implementing the HCCI component of LIHP may report new HCCI enrollees if individuals with income over 133% FPL applied between December 1, 2010 and June 30, 2011 and were eligible.

"NA" -- "not applicable." Programs that are not currently implementing an HCCI component do not have a corresponding FPL limit.
